Welcome Back Week

Dear Pinnacle Prep Families,

We hope you've had a wonderful summer break and are as excited as we are to kick-off our 2018-19 school year! Teachers have already been hard at work preparing classrooms and engaging lessons to welcome our students back. It's going to be a great year with our continued focus on exceptional education as well as some new and exciting extra-curricular opportunities.

Below are key dates/times and information:
